Bronze Pine Cast Sconce

Utilizing the natural beauty of bronze, along with a perfect cast of pine cones, this sconce is a wonderful compliment to your home or office space. Designed and finished by Kevin Clark, these fixtures are as functional as they are beautiful. The brushed finish of the bronze backplate not only provides a richness to the piece, but also highlights and accentuates the beauty of the pine cone cast.

Your application specific requests provide the option of either an up light or down light and of course the type of shade that best fits your applications.
